Marker A-25B on page 120, in the HOW TO FIND directions

Delete both of the existing paragraphs and replace them with the following:

"From Marker A-25 A, continue 1.1 miles on SSR 8A to a wide area on the left side of the road.

Turn left into the wide area and then bear left.

Go a short distance to the marker next to the fence."

Note: This marker was moved about 75 yards west from the actual trail location which is in the draw to the east behind the marker.

The new coordinates for the marker are:

LAT/LON: 41° 36.235'N, 119° 56.739'W

UTM: 0254609E, 4609792N

Also make the above coordinate changes on pages 168 and 169.
